

Dear Students,

Greetings from Gallagher Student Health, **Scripps College's** health insurance partner. This email contains important information about how student health insurance works, what your options are, and the actions you need to take.

All Claremont Colleges require that continuing and newly matriculated students are enrolled in health insurance coverage. All students will be automatically enrolled in the Claremont Colleges Student Health Insurance Plan (SHIP) unless they can provide proof of coverage in an insurance plan that meets the Claremont Colleges waiver criteria, which include:

- Comparable coverage must be effective **August 1, 2024 through July 31, 2025**
- Fully compliant with all aspects of the Affordable Care Act and-benefits must be unlimited;
- The Underwriting company must be owned, operated, and headquartered in the United States and must be in full compliance with applicable federal laws;
- Claims must be paid by a U.S.-based company;
- Access to local doctors, specialists, hospitals and other healthcare providers near campus;
- Provides coverage for urgent and non-urgent care including;
- Preventative and routine benefits;
- In-patient and out-patient surgery and hospitalization;
- Lab work, diagnostic x-rays, physical therapy, chiropractic care, emergency room treatment, ambulance services and prescriptions;
- In-patient and out-patient mental health, substance abuse and counseling services
